WOLNOŚĆ RELIGIJNA WARUNKIEM POKOJU

RELIGIOUS FREEDOM CONDITION FOR PEACE

Summary

Pope Benedict XVI has made the sentence: "Freedom of Religion: the Way to Peace" into a key idea of his message for the celebration of the World Day of Peace in 2011. In face of the contemporary religious persecutions, He reminded that the violation of religious freedom destroys social order and peace in the world. The task of religious communities, political groups, and international structures is the proclamation and defense of human dignity and of the resulting from it right to religious freedom. This action is necessary for the protection of peace.
